You will find in this workbook the sales ratio and equalization study for Montgomery County soon as possible with any questions or with the certification of acceptance. They are very form 11's, but will not print the form 11's until hearing from the DLGF.

We would like to point out that the industrial land values were trended in accordance with together and therefore receive the same trending factors. There was only one vacant industrial farm ground which therefore makes the sale higher than what can be assessed.

We look to hear from you soon.

Thank You,
